

Pergo Medikal ve İlaç Sanayi A.Ş. Sustainability Statement

At Pergo Medikal ve İlaç Sanayi A.Ş, we embrace sustainability as a core value in medical device manufacturing. We are committed to minimizing the environmental, social, and economic impacts of our operations and strive to leave a healthier world for future generations.

Environmental Responsibility:

- We prioritize energy efficiency in our production processes.
- Through our waste management policies, we ensure effective recycling and disposal of waste materials.
- We optimize the use of water and other natural resources to minimize our environmental impact.

Social Responsibility:

- We prioritize the health, safety, and well-being of our employees, providing a fair and inclusive work environment.
- We support community-benefiting projects, contributing to the development of the communities in which we operate.
- We promote ethical and sustainable practices within our supply chain.

Economic Sustainability:

- Through innovation and R&D, we develop products that consume fewer resources and are environmentally friendly.
- We pursue a long-term and sustainable growth strategy, aiming to create value for all our stakeholders.
- We deliver high-quality and sustainable products to our customers, supporting the healthcare industry.

At Pergo Medikal ve İlaç Sanayi A.Ş, we are determined to fulfill our sustainability commitments and continue to play a leading role in this field. We are ready to work together with all our stakeholders for a better future.
